

JASMINE PORT SUITE

JASMINE PORT SUITE - is located in Alanya, one of the largest and most beautiful cities in Turkey, as well as a tourist center that sees the sun for about 8 months a year and is considered a paradise for European and Russian tourists. The project land is located on plot 437/02 in Payallar, Alanya district, Antalya province. Our project is 2300 m from the Mediterranean coast, 111 km from Antalya Airport, 63 km from Gazipaşa Airport, and 21.5 km from Alanya city center.

In this project, which we want to build as a fully equipped facility, the apartment owners will live in the comfort of a home office or hotel. The project will bring a unique structure to the region with carefully considered and high quality design, features and construction quality.
