

PREMIUM LIFE VILLA'S

PREMIUM LIFE VILLA'S

The comfort of Premium Life Villa will take you away from the busy city life with its enchanting view and garden decoration that relaxes you. Designed for a comfortable and stylish life, our villa has a perfect interior design. The spacious and bright rooms are equipped with elegant furniture and beautiful decorations.

Thanks to the large windows in each of the bedrooms, they have magnificent views and offer a spacious area. Bathrooms have a luxurious and modern structure. The living room and dining room have been prepared for extremely comfortable use. The kitchen has the latest technology, equipment and an open plan design. In addition, our villa has a large terrace, pool and garden.

Our project is located in a safe and quiet location, intertwined with nature.

Premium Life Villa's has 4 private villas, two of them are two floors and the other two are 3 floors, each building has an area of 400 m². 110 m² of this is building area, 290 m² is social area and garden area.
